Dear Parent or Guardian,

As the 2020-21 school year draws to a close, it is a pleasure to present to you our 5th and 6th Grade Suggested Summer Reading List for Summer 2021. Summer reading is an important activity for your child’s intellectual growth and development. It encourages students to continue learning while still providing them with fun and enjoyment. What helps make reading entertaining for children is allowing them the freedom to choose books that speak to their unique interests.

The attached list was created with the assistance of the Teaching and Learning Department in collaboration with your child’s upcoming Reading/Language Arts teachers. This is a list of books that we think your child may enjoy. It also represents some of the best literature being read by adolescents today. Many of these books are award winning titles!

Students may choose a book or books from this list to read. Students who need assistance in obtaining a copy of these books can visit the Huntsville Public Library. These titles can also be found on Amazon, through e-reader downloads, and possibly even at Half Price Books.

We hope that you will partner with us in order to provide your child with this opportunity to continue their learning and grow their love for reading.

Enjoy the summer!

Sincerely,

HIS Reading/Language Arts teachers
Teaching and Learning Department

All students thrive as lifelong learners and global citizens prepared for the futures they create.
