**HOW WAS THE HUNTSVILLE ISD 2021 BOND DEVELOPED?**

The Huntsville ISD 2021 School Bond is a result of quality community input and careful weighing of options. The bond package derives from the work of the Long Range Master Plan committee, made up of 79 community leaders, parents, teachers, students, and local business owners representing a cross section of the district. The committee's approved master plan was presented to the Huntsville ISD Board of Trustees on August 13, 2020. The Board approved the committee's recommendation and unanimously called for a $127,000,000 bond election on Thursday, February 4, 2021.

**HOW DOES THE 2021 BOND AFFECT THE CURRENT GRADE ALIGNMENT?**

The projects proposed by the 2021 Bond will allow Huntsville ISD to realign grade levels to Pre-K through 5 at the elementary level, grades 6 through 8 at the middle school, and grades 9 through 12 at the high school. Fewer transitions means fewer campuses for drop off/pickup for parents with multiple children, more time to build positive relationships on a campus before students move, and more efficient operations (less recurring costs). The proposed grade alignment is used in a majority of successful school districts across the state.

**WHAT IS THE TAX IMPACT FOR VOTERS 65 AND OLDER?**

Taxes for homeowners 65 years and older will not increase above your current exemption ceiling if the proposed 2021 Bond is approved.

**WHY ARE THERE MULTIPLE PROPS?**

Recent legislation has required that renovations to a stadium with capacity for more than 1,000 spectators must be presented to voters for consideration as a separate proposition.

### PROPOSED BOND PROJECTS

**PROPOSITION A - $92,000,000**

- **PRE-K & ELEMENTARY**
