Dear Parents and Community Members,

We invite you to take part in our Annual School Improvement Planning process. Your contributions are critical in ensuring the success of our students. With your input, the campus and adults working on behalf of our students will strive to implement strategies to increase student achievement. We are developing our Targeted Improvement Plan to not only achieve our campus goals, but also to design a plan that meets the needs of all students.

Historical Campus Ratings:

- 2017 - 2018 Improvement Required -- Year 2
- 2018 - 2019 Met Standard
- 2019 - 2020 Not Rated due to COVID Closures

There are multiple opportunities and methods for you to provide input into our Targeted Improvement planning process. You may contribute your ideas in any of the following forums:

1. Link to an online survey form - Available from October 15 - October 30
