Counselor’s Corner

First and foremost, I would like to take the time to thank you for helping to prepare your child to be successful each day they come to Stewart. The teachers are also making their contributions during your child’s morning meeting time by using Kelso’s Choice to teach social emotional skills. For the month of August, we focused on conflict management and the different ways a situation can be diffused. For September, we will focus on respect...what it looks like, sounds like, and how it should be shown. Please feel free to give your child a head start by discussing this important value at home.
