Fall Jamboree

The PTO will be hosting a Fall Jamboree Festival that will be held on November 13th from 3-5. This will be a fun filled time where families can enjoy games and food on the Stewart Campus. More information will be sent home soon regarding this event.

Thanksgiving Lunch

Parents are invited to attend lunch on 11/17. More information will be sent home soon regarding the lunch.

Attendance

Student attendance at school is vital to their learning success. Students must attend at least 90% of the school year in order to be passed to the next grade level. This computes to not missing more than 15 days (excused or unexcused). Tardies and Early pick up count for attendance as well. The law reads: “absences are all or parts of school days”. Our desire is for every student to be successful and being at school every day is a huge part of that. If a student is sick or has to attend an appointment, excuses must be returned within 3 days of the absence. Students have 7 days to make up missed work. Makeup work that is taken for grades has to be made up at school.

Birthday Celebrations

We love celebrating student birthdays at school. We do this in two ways: Announcing their birthday on the morning announcements and by allowing parents to send cupcakes to school. The cupcakes have to be store bought and will only be passed out at the end of the school day. We cannot serve items that do not follow food and nutritional guidelines until a certain time of the school day which is at the end of the school day.

Buzzy Bucks

What are these golden tickets coming home? During the school day students have the opportunity to earn 'Buzzy Bucks' (gold tickets) by following our school procedures in common areas such as the hallway, specials, cafeteria and during restroom breaks. If your child brings their 'Buzzy Bucks' home please have them write their name on them and bring them back to school. The students will use these tickets to shop for prizes at our Buzzy’s Best store. Help us share the excitement of your student making good choices and really celebrate when you see your student has earned a 'Buzzy Buck.'

Counselor’s Corner

For the month of November, our character focus will be on “Fairness.” We are very fortunate to have many siblings, cousins, etc. that attend our school. Utilize those relationships in discussing with your child instances in which they would need to be fair to not only those they are related to, but those they come in contact with on a daily basis.

Also, if you participated in the Backpack Buddy Program for food assistance last year, please check your child’s backpack for an updated permission slip and send it back with your child once it’s completed. If you have not participated, but know this is something you would be interested in, please send me an email at asmeduffie@huntsville-isd.org and I will get the proper information to you.
